(Flights were not available for return trip on the Saturday or Sunday due to part of the flight being fully booked).

### Deposits

You are reminded that the forth deposit of £300.00 is due on 1<sup>st</sup> December 2008. Please arrange for this to be sent to Barbara in time as we now beginning to have to commit ourselves to several expenses. There are still a few members who have outstanding fees.

### Training Weekend:

Our next training weekend is again at West Hall over the weekend of 9<sup>th</sup>/11<sup>th</sup> January 2009. Please put this date in your diary and remember to return your form, even if you are not able to attend, so that we can arrange the programme.

### Buy a Brick:

As part of general fund raising for the expedition we have launched a "Buy a Brick" scheme. We shall be selling bricks at £2.50 each and the receipts are designed to help finance the construction of the new school class rooms. In order to completely cover the cost of this part of our project we need to sell approximately 5,000 bricks so if you can help in any way please contact one of the main leaders who will give you more details.
